CONFIDENTIAL REPORT

From:

The Excise Commissioner
in Mysore

To

The Chief Secretary
to the Dewan of
Mysore.

Sir,

In returning herewith the petition from messrs Chikka Mallaiah & Co, Toddy Contractors, Tumkur district, I have the honor to state that the retail rates of toddy prescribed for the past contract of the Tumkur district, in Government notification of 4th January 1887, were as follows:—

	maximum per Seer	minimum per Seer
In the Taluq Kasbas of the Tumkur district	0—1—3	0—0—10
In the villages ditto.	0—1—0	0—0—8.

Subsequently on the Contractors Complaint and on the Deputy Commissioner's recommendation, the marginally noted revised minimum rates were sanctioned in Government-proceedings No. 4991/191 dated 13th December 1887. But in the toddy notification dated 25th January 1891 the old

X In Towns 6 pies per Seer
In villages 4 pies per Seer

the old minimum rates mentioned Government notification of 4th January 1887, were repeated ——— instead of the revised minimum rates sanctioned in the Government proceedings quoted above. The Contractors however executed the agreement accepting the rates. Accordingly the Deputy Commissioner issued the licenses. Subsequently the Contractors applied for permission to sell toddy at the reduced minimum rates, and in reply I gave them an endorsement to the effect that they must abide by the Contract terms.

2 But as a similar question connected with the Mysore district, is now before the Government, (vide this office nos 2820/134 & 5937 and 30779/159 dated 11th September and 12th November 1890), I submit the case of the Tumkur district contractors also for the orders of Government. I see no objection to permit the Contractors to adopt the minimum rates sanctioned for the past Contract in Government proceedings No. 4991/191 dated 13th December 1887.

I have the honor to be,
Sir,
Your most obedient Servant

The Deputy Commissioner
Tumkur District

Sir.

We most respectfully beg leave to bring to your kind consideration, and favourable orders that the rates of Toddy mentioned in the Licenses recently granted to this District is from 8 pies to one anna a seer.

We are really sorry to state that we are now sustaining a dead loss altogether by these new Licenses since they are introduced in this District. I find now that in the year 1888 similar Licenses were issued altering the old & long standing Inamool rates that is to say from 8 pies to one anna instead of from 4 to 8 pies a seer.

The toddy drinkers being then refuse to purchase any Toddy at an unusual rates the sale was at once put down and the Contractor was obliged to sustain heavy loss, and upon this Complaint to the Huzoor of the Dewan, Kindly issued a revised order conferring the Inamool

sale from 4 to 8 pice a seer while the Proceedings No 4991 of 1st December 1891 with the Asst Deputy Commissioners order No 1014-205, dated 28th December 1891,

I do not think I may leave ... said licensed sales also the annual sale. I have most respectfully beg you to be so good as to issue your orders permitting such sale to ... at the sales held at Nellore for special purposes and to exempt the sales mentioned in the Licence.
